TARIFF FORMAT

- A. Page Numbering - Page numbers appear in the upper right hand corner of the page. Pages are numbered sequentially. From time to time new pages may be added to the tariff. When a new page is added between existing pages, a decimal is added to the preceding page number. For example, a new page added between Pages 3 and 4 would be numbered 3.1
- A. Page Revision Numbers - Revision number also appear in the upper -right corner of the page. These numbers are used to determine the most current page version on file with the Commission. For example, 4th Revised Page 4 cancels 3rd Revised Page 4.
- B. Paragraph Numbering Sequence - There are various levels of paragraph coding. Each level of coding is subservient to its next higher level of coding. For example,
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a)
- C. Check Sheet - When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk(*) .
- D. There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest Check Sheet to find out if a particular page is the most current on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of the Company

The Company services offered pursuant to this Tariff are furnished for Local Exchange Service among specified points within a Local Calling Area. The Company will offer these services over resold facilities.

The Company installs, operates, and maintains the communications services provided herein in accordance with the terms and conditions set forth under this tariff. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities as required in the Commission's rules and orders, when authorized by the Customer, to allow connection of a Customer's location to the Company's network. The Customer shall be responsible for all charges due for such service arrangement.

The Company's services and facilities are provided on a monthly basis unless otherwise indicated, and are available twenty-four hours per day, seven days per week.

2.2 Limitations

2.2.1. Service is offered subject to the availability of the necessary facilities and equipment and subject to the provisions of this tariff.

2.2.2. The Company reserves the right to discontinue or limit service when necessitated by conditions beyond its control, or when the Customer is using service in violation of the provisions of this tariff, or in violation of the law.

SECTION 2 - RULES AND REGULATIONS (CONT)

2.8. Installation

Service is installed upon mutual agreement between the Customer and the company. The service agreement does not alter rates specified in this tariff.

2.9. Payment for Service

The Customer is responsible for payment of all charges for services furnished to the Customer or to an Authorized User of the Customer by the Company. All charges due by the Customer are payable to the Company or to any agency duly authorized to receive such payments. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies, such as the Arizona Corporation Commission.

The Company's billing invoices will be considered correct and binding upon the Customer if no notice is received from the customer within thirty (30) days of the date of the invoice. (Billing inquiries may be made in writing, in person, or via telephone). Adjustments to Customer's bills shall be made to the extent circumstances exist which reasonably indicate that such changes are appropriate. Upon receipt of a billing inquiry, charges involved in the disputed element(s) of the invoice will be temporarily suspended pending resolution of the dispute. The Customer, however, remains responsible for the timely payment of the non-disputed elements of the invoice. If a Customer is not satisfied with the Company's response to an inquiry or request for credit, he or she may appeal to the Arizona Corporation Commission for final resolution.

SECTION 2 - RULES AND REGULATIONS (CONT)

2.13. Refusal or Discontinuance by Company

The Company may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer shall be given proper notification in accordance with Commission rules to comply with any rule or remedy any deficiency:

- 2.13.1. For non-compliance with or violation of any State municipal, or Federal law, ordinance or regulation pertaining to telephone service.
- 2.13.2. For use of telephone service or any other property or purpose than that described in the application.
- 2.13.3. For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by the company or its agents.
- 2.13.4. For noncompliance with or violation of Commission regulation, or the Company's rules and regulations on file with the Commission, provided thirty days written notice is given before termination.
- 2.13.5. For nonpayment of bills, including bills for any of the Company's other communication services, provided that suspension or termination of service shall not be made without seven days written notice to the Customer, except in extreme cases.
- 2.13.6. Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect the Company's service to others. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.

SECTION 2 • RULES AND REGULATIONS (CONT)

- 2.13.7. Without notice in the event of tampering with the equipment or services owned by the Company or its agents. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.
- 2.13.8. Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the Company may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonable estimated as the loss in revenues resulting from such fraudulent use. Within twenty-four (24) hours **after** such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.
- 2.13.9. Without notice by reason of any order or decision of a court or other government authority having jurisdiction which prohibits Company from furnishing such services.

SECTION 2 - RULES AND REGULATIONS (CONT)

2.14. Tests, Pilots, Promotional Campaigns

The Company may conduct special tests or pilot programs and promotions at its discretion to demonstrate the use of use, quality of service and to promote the sale of its service. The Company may also waive a portion of all processing fees or installation fees for promotional events sponsored or endorsed by the Company. The Company will notify the Commission regarding specific promotions.

2.15. Interruption of Service

Credit allowances for interruption of service which are not due to the Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment or communications systems provided by the Customer, are subject to the general liability provisions set forth in Section 2.4. herein. It shall be the obligation of the Customer to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer and connected to Company's terminal. Interruptions caused by Customer provided or Company provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via local exchange company access.

2.16. Cost of Collection and Repair

The Customer is responsible for any and all costs incurred in the collection of monies due the Carrier including legal and accounting expenses. Customer is also responsible for recovery costs of Carrier-provided equipment and any expenses required for repair and replacement of damaged equipment.

SECTION 2 • RULES AND REGULATIONS (CONT)

- 2.23.3. The listing of subscribers, either without charge or at the rate specified within this tariff for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by subscribers or prospective subscriber, the Company will not be a party to controversies between subscribers as result of the publication of such listing in the directories.
- 2.23.4. Listing must conform to the Company's specifications with respect to the directories. The company reserved the right to reject listings when in, its sole judgment, such listing would violate the integrity of company records and the directories, confuse individuals using the directory, or when the customer cannot provide satisfactory evidence that he is authorized to do business as requested.
- 2.23.5. The company reserves the right to limit the length of any listing to one line in the directory by use of abbreviations, when, in its sole judgment, the clearness of the listing and the identification of the subscriber is not impaired.
- 2.23.6. Generally, the listed address is the location of the subscriber's residence.

SECTION 2 . RULES AND REGULATIONS (CONT)

2.24 Universal Emergency Telephone Number Service (911, E911)

- 2.24.1. This tariff does not provide for the inspection or constant monitoring of facilities to discover errors, defects, or malfunctions in the service, nor does the Company undertake such responsibility.
- 2.24.2. 911 information consisting of the names, addresses and telephone number of all telephone customer is confidential. The Company will release such information via the Data Management System only after a 911 call has been received, on a call by call basis, only for the purpose of responding to an emergency call in progress.
- 2.24.3. The 911 calling party, by dialing 911, waives the privacy afforded by non-listed and non-published service to the extent that the telephone number, name, and address associated with the originating station location are furnished to the Public Safety Answering Point.
- 2.24.4. After the establishment of service, it is the Public Safety Agency's responsibility to continue to verify the accuracy of and to advise the Company of any changes as they occur in street names, establishment of new streets, changes in address numbers used on existing street, closing and abandonment of streets, changes in police, fire, ambulance or other appropriate agencies' jurisdiction over any address, annexations and other changes in municipal and county boundaries, incorporation of new cities or any other similar matter that may affect the routing of 911 calls to the proper Public Safety Answering Point.
